### Basic Information

- Place of Origin: china tianjin
- Brand Name: scaffolding coupler
- Model Number: BM201
- Minimum Order Quantity: 1000
- Price: 4.5
- Delivery Time: 15-25

### Product Specification

- Feature: High Strength
- Standard: EN74-1
- MOQ: 1000
- Type: Right Angle
- Application: Construction
- Surface Treatment: Galvanized
- Name: Scaffolding Coupler
- Package: Container
- Highlight: **Galvanized Scaffolding Coupler, EN74-1 Standard Scaffolding Coupler, En74 Scaffolding Fixed Coupler**

## Product Description

### Galvanized Scaffolding Coupler With High Quality And EN74-1 Standard

#### Product Description:

Scaffolding Coupler is the perfect choice for a secure and reliable connection between scaffolding tubes. It is made of galvanized steel and is available in a silver color. The surface is treated with galvanized material to ensure maximum durability and protection against corrosion. The package of the coupler comes in containers for easy storage and transport. It meets the EN74-1 standard and is suitable for use in various types of scaffolding systems. With its strong and secure connection, the galvanized coupler is the perfect choice for a reliable scaffolding solution. This steel pipe coupler is also BS1139 certified, ensuring quality and reliability.

#### Features:

Product Name: Scaffolding Coupler  
Surface Treatment: Galvanized  
Package: Container  
Name: Scaffolding Coupler  
MOQ: 1000  
Standard: EN74-1  
Material: Steel pipe coupler  
Category: BS1139 scaffolding couplers  
Usage: Building fasteners  
Quality Standard: EN74-1 standard

#### Technical Parameters:

Name	Specification
Standard	EN74-1
Type	Right Angle
MOQ	1000
Application	Construction
Material	Steel
Feature	High Strength
Color	Silver
Name	Scaffolding Coupler
Surface Treatment	Galvanized
Package	Container

#### Applications:

Scaffolding Coupler

Are you looking for a reliable and durable scaffolding coupler? Look no further than our **Scaffolding Coupler**! Our coupler is made with high quality **Steel**, and it features a **right angle** design for secure connections between tubes and an impressive **galvanized** surface for maximum protection against corrosion. With a **minimum order quantity** of 1000 pieces and a **price** of 4.5 each, you can be sure you're getting an excellent deal.

Product Details:

**Brand Name:** scaffolding coupler

**Model Number:** BM201

**Place of Origin:** china tianjin

**Minimum Order Quantity:** 1000

**Price:** 4.5

**Delivery Time:** 15-25

**Name:** Scaffolding Coupler

**Material:** Steel

Get your **Scaffolding Coupler** now!

### Packing and Shipping:

Packaging and Shipping for Scaffolding Coupler

The Scaffolding Coupler is shipped in a box that measures 28"x22"x13", and weighs 15 lbs. It is packed with foam to ensure the coupler is well protected during shipping.

The coupler is securely fastened in the box to prevent any damage in transport and is wrapped in plastic to prevent any dust or moisture from entering the box.

The box is then sealed with tape and labeled for easy identification of the product.
